- . Demystifies the difficult-to-understand investment jargon by explaining it in down-to-earth terms for anyone to understand.
- . Shares actionable advice with a “Commitment Page” to give readers the steps to transition from being a wannabe investor to a first-time investor.

### Book Description:

Do you find the stock market intimidating? Does the thought of losing your hard-earned money hold you back? Do you think you don't have enough time to dedicate to investing in the market?

You're not alone! Approximately 40 percent of Americans shy away from investing in the stock market due to lack of knowledge, funds, or confidence. In this groundbreaking book, Ann Marie Sabath, a former wannabe investor turned diversified stock owner, shares her wealth of knowledge to empower you to enter the world of investing one step at a time.

Sabath's writing style is refreshingly down-to-earth, making even the most intricate concepts easy to grasp. She shares the essential pre-investment steps, ensuring you have a solid foundation before you buy your first share of stock. She explains the seven excuses people make for not investing, the importance of identifying your risk tolerance, the power of compounding, the one-hour-a-year investment strategy, and much more. *The Wannabe Investor* isn't just another dry investment book. It's a transformative guide that reveals the strategies that self-made millionaires use to build wealth. Don't let your hard-earned money languish in low-yield savings accounts or slow-growing bonds any longer. You will be ready to take control of your financial future after reading *The Wannabe Investor*.

### ABOUT THE AUTHOR

ANN MARIE SABATH has authored ten books, including the best-selling *What Self-Made Millionaires Do That Most People Don't*. Her passion for investing was ignited during her ten life-changing years under the guidance of a seasoned stock market guru. Inspired by his six-decade fortune-building journey, she developed a keen understanding of investment principles and practical choices, which allowed her to build her substantial nest egg. Today, Sabath dedicates her time to empowering individuals to create their success through the content in *The Wannabe Investor* and her other books.
